We are the Telefónica Techs cybersecurity team. We are a digital talent hub for cybersecurity and are committed to making the world a more cybersecure place. We strive to create and constantly improve a platform for the exchange of information, experience, knowledge, tools and technologies. We support the exchange of opinions, ideas and practical knowledge in the field of cybersecurity among our employees, partners and customers. We are working to create a secure and resilient ecosystem where companies, authorities, government agencies, and cybersecurity service providers work together to secure digital assets.
