Japanese: Fantasy action RPG to develop a new fantasy action RPG, I'd like to describe the new fantasy action RPG that's been announced as Elden Ring. Tarnished Nights Vivid patches and a dense wood terrain. The mysterious areas where monsters appear from the ground. Sudden and sudden attacks. The exhilarating thrill of getting carried away. New dungeon maps rich in charms and traps. Fantastic graphics developed by PlatinumGames. The world of Elden Ring. From the black sun lands and to the dense forests. From the trees and flowing rivers to the ice-filled mountains and the felled forest. The labyrinth of endless paths and vacant areas, areas where the dead vie with the living. Castles and proud towns built upon the site of destroyed settlements. Crowned over them, a fortress nation with a history as long as that of the world. There are a few who are on the brink of victory. The other side is now on the verge of defeat. These two countries are about to clash. Even the earth shakes at the approaching conflicts. Even an old

friends' rivalry rekindles. The earth is about to crumble. An ancient conflict has begun. The dynasties of the heavens and the earth clash. The giant monsters have flooded the lands. The enemies are strong. The fight is strong. You've stepped into the lands of the lord who wields the power of the Sacred Jewel. Slay the monsters. Vanquish the monsters. Make the bff6bb2d33

## **What's new:**

**“If we really wanted to make an MMO, with the geography of game worlds connected via network coding, we needed something extraordinary.” “We decided to make the Territories Between that that world.”**

---

**“A national government distributes a series of bands on the border of the two countries that have a very suspicious standoff between them.” “They will experience the consequences of an unhealed wound.”**

**From the cover of Valve’s Artbook, a huge piece of lore that has not been touched on is unveiled. The Tainted Lands Between is a country that Tarnished once invaded until 16 years ago. Thousands of people were killed, and many more were killed in the later years due to a trouble their leader had. They have built their capital, Elysium, with the goal of and the belief that they will set the world a better place by engaging in a series of activities that will equate them to the Elysium. Such a deeply dark country that drags an avatar through the hells. Demonlords, mystic creatures, and horrific monsters await in the unopened lands.**

**“The development of dynamic events was the very first thing we attempted. ”**

**“I want to make a title that has something unique to it.” “I’m thinking of recruiting more writers.”**
