"This "RPG" has depth and excitement, something not to be found in many recent RPG's. There are characters you can change appearance and tone, and there is a high degree of customization for the character and weapon and spells you create. "This RPG is like the Blizzard of OoT/OW. If you like action, you can't go wrong!" "Now looking at the main character, you can see that he is all black and dangerous, and his body is muscular and incredibly well-built, almost like a statue." "What a varied and well-balanced gameplay!" "WHAT A GAME!!! One of the best games I have played in a while, Blizzard fan games will be jealous of this!" "On a scale of 1-10, this is the most amazing game ever. I have played Skyrim for hours, but this game has done so much more in so much less time! If you like RPGs, and you are a fan of the series, you have to try this game!" " (CLICK IMAGE TO VIEW FULL-SIZE) NOTE: Elden Ring has a content rating of AO in the UK (18+); N/A elsewhere.
