Power your team with the game's brand-new Tricks & Treats mode, a new playground of manoeuvres, tricks and ideas - designed to bring you the most intuitive, accessible FIFA experience ever seen. The new 'Narrative' Stories in Fifa 22 Cracked Version are set within a vibrant Brazil, with four stories and multiple endings. Experience the lifelike emotions and attention to detail that the narrative stories bring to The Journey - your story in FIFA. • 20 all-new stadiums built from the ground up. • 20 iconic teams brought to life by the deepest roster and gameplay modes ever seen. • New presentation of the game that reflects the World Cup™. The Story of The Journey has now been expanded to include five different locations: Brazil, Sweden, Canada, China and Mexico. Play through their stories and experience the new coaches, all-new player mechanics and player personalities.

HIGHLIGHTS Enjoy stunning new stadiums built from the ground up. Beautiful graphics and gameplay that replicate the World Cup™ Stadium Experience. The future of football is now here.

FEATURES New Authenticity - An improved, 360-degree camera and motion-capture technology captures all 22 real-life players on the pitch, using the very first depth-sensing camera that was ever used in sports video games. The result is even more realistic and dynamic player movements. New Player Customisation - Every feature in the game has been upgraded and improved to provide you with the most authentic FIFA gameplay experience possible. HyperMotion Technology - This new technology captures your exact movements during play in ultra-high definition detail. This enables further visual improvements and gameplay enhancements, including more realistic player movements, reactions and visuals. Immersive Gameplay - Experience the exhilarating, realistic and authentic gameplay of the World Cup™ games, including individual player expressions and animations, authentic movement and speed of real players in an all-new FIFA game engine.

Scorelines - A new Scoreline feature allows players to add flair to their own goals, and keep goals alive for use on The Journey. New Assists - Now you can provide your teammates the support they need to help them score on a consistent basis with a new dynamic Assist function.
