## **Fifa 22 Features Key:**

- Face a new battle of the smalls: the Big-Four clubs are joined by three additional public teams to create the world's greatest division. Make strong assaults or keep your opponent in the shadows.
- Use your head. Create the all-new Rules Mode that puts you in charge and allows you to configure tailored gameplay rules to suit your preferences. Keep It Simple to avoid making the game more complex.
- Win your battles. Regardless of which mode you're in, every challenge becomes epic thanks to a new physics engine that allows for more realistic and unpredictable tackling and collisions.
- Personalise your teams, stadium and name to become the best you can be! Experience the new Player Personality when creating your team. Win the Battle To Win every style of match in the Play Now and Live Match modes.

- 
- Keep them curious! An innovative new counter-attack system brings a new sense of urgency and unpredictability to almost every aspect of the game.
  - Zonal markers and your improved vision - everyone-you should be able to see every player on the pitch!
  - The new “Viscosity” artificial intelligence behaviour system means you can focus more on delivering key passes while the ball bounces and moves unpredictably on the pitch.
  - Loads more - crazy, non-stop player movements, four-player celebrations, and a multitude of new video highlights will only add to your enjoyment of FIFA.
