You can also purchase Photoshop or Photoshop Elements directly from Adobe at [www.adobe.com](http://www.adobe.com). Photoshop is available on Macs, PCs, iPad, and iPhone and is also available for Apple Watch and Apple TV. As with all our reviews in this book, this one focuses on the latest version of Photoshop: version CS6. This is a vastly superior version to Photoshop CS5, which itself was very good. ## Getting to Know Photoshop CS6 The first thing to remember about Photoshop is that it can be intimidating at first glance. The Photoshop interface is a huge complex mass of tools and windows. Fortunately, you can stay focused on what you need to do for any given task while Photoshop is in design mode, which enables you to work at any selected image file.
