Fill Out and Click the Download Now button. 1. Install the.asarchiver in linux is a computer program that you can use to rip.On Tuesday, Minnesota Senator Al Franken apologized to his constituents after several women accused him of groping them. And on Wednesday, a woman came forward to accuse Franken of forcibly kissing her without her consent when she was a Democratic congresswoman. Cosmo Williams, the campaign director for the Stein campaign, told Cenk Uygur this is why candidates like Clinton and Trump will not be able to run as "good guys" in 2020: "Republicans talk about moral responsibility, and the Democrats never talk about moral responsibility." "You can say, 'well, I'm just going to vote for him because we can't find anyone else.' But look at the other side of the aisle." Uygur then said that he thinks the real cause of Donald Trump's victory in 2016 was that the country was so gullible, and that people are aware of his character flaws,
