Jio has officially announced the Jio TV, Jio AIR, and Jio 4G smartphones. It is expected to be launched in September this year. The devices will be launching across India. Jio TV is going to be launched in three variants. They are Jio TV One, Jio TV One Plus, and Jio TV One Plus Plus. The phone comes with an upgrade from Jio Movies, Jio Music, and Jio News. They are also offering unlimited Jio data at Rs 153. Jio AIR will also be available in three variants. The phone comes with a huge battery and has a design similar to smartphone. It will be launched in two colours- Black and white. Jio 4G will be arriving in three variants too. They are the Jio 4G, Jio 4G with Camera, and Jio 4G with Dual SIM. It will be launching in November and will be going for Rs 999. Jio TV Jio TV One Jio TV One comes with a 5-inch display and it will be powered by a 1.3GHz quad-core MediaTek MT6737 SoC. It has 2GB RAM, and 16GB of internal storage with support for microSD cards. It runs on Android 7.0 Nougat. It has a 13MP rear camera with LED flash and a 5MP front-facing camera. It has the ability to shoot 4K video. Jio TV One
