## Clone Tycoon 2 Script

Scripts: Select Your Platform and Mode How to play: Start your quest by clicking on the Quest Icon (top right corner). Get started today by clicking on the "Start Quest" button. Select your Location: Click on the Map to find a location. We have many locations to choose from! Click the selected Map to enter the location. Input your Character Name Select your Weapon of choice and describe your character: Click on the keyboard icon to get started! Click the Exit Quest button to exit the game. Select your Mode: Test Mode is for random maps, not for missions. Once your mission begins, you can switch to Test Mode to get your bonus free gems! Whichever Mode you select, you will not lose anything during the course of the mission. Select the maps you wish to play. Leave the search area by clicking the exit button. Note: If you have not purchased the map before, you will be charged a price. Click on the Map to enter the location. Click the "Start Mission" button to get started! Click the "Reset" button to set it back to default. Enter your desired amount of gems. Click the "Start" button to get started! Quest Progress Enter your desired amount of gems. Click the "Reset" button to set it back to default. Click "Move" to change your place. Click on the Box to adjust it to your desired size. Click "Place" to place the Box. Click the "Start" button to continue to the mission. Getting started? Watch this video to find out how you can play a role in the new game on Roblox. All other games are forbidden! Do not ask us for support, we have none. We have no intention to cheat, steal or provide anything which could be damaging to our users or the Game. We are strictly dealing with Scripts that are working on Roblox games. If your game is not listed, it is most likely that it is either an outdated version of Roblox or the owner of the game does not want to share the code. If your game is on the list, and you want to remove it, please contact 6d1f23a050
