ACIWAY Inc. - Asphalt Constructor We need a new logo for our company. We are building energy efficient roadways by layering asphalt on top of concrete. Please be creative and original! The name ACIWAY is derived from the words: asphalt concrete intermediate. ACIWAY Inc. The ACIWAY 3x3 is a highway construction material that can be manufactured at 3% thickness and that has higher strength and more durability than conventional bituminous pavements. ACIWAY is an anhydrous cementitious pavement material, not a paving or surfacing system, but a set of materials designed to create a pavement that is similar in performance to conventional asphalt concrete pavements. ACIWAY Benefits Expected improvement in road quality and safety A substantial reduction in the carbon footprint resulting from reduced traffic emissions ACIWAY Benefits Generated savings and carbon savings expected to exceed 2 billion kg CO 2 equivalent per year in the UK ACIWAY Benefits The roadways will last longer and would 6d1f23a050
