In my third console i use a roms that is called "Multitel Premium Card". I was playing for more than 10 hours the games created by Bally and Midway. In my second console, for the backlit games, I used a game that was created by Sega, Taito, and Midway, but this game was no backlit and so I can not see clearly the scenes, but for me it is perfect. This sentence is really hard for me to understand. My major problem is that I don't understand the grammatical structure. I also don't understand how it fits into the rest of the sentence. I think this sentence means something like this: "If you have a speech difficulty, that's no problem because the converter is one click away." Can you explain the sentence for me? I really need help with this. A: It means: If you have a speech difficulty, that's no problem because the converter is one click away. This is similar to: If I have an English difficulty, that's no problem because the converter is one click away. Title Authors Files Description The Indiana University Northwest College of Law is pleased to announce the 2nd Annual Student Appellate Advocacy Conference and Conference on Social Justice Legal Issues, to be held March 17, 2013.
