game's story takes place in the fictional city of San Andreas, though the game settings are loosely based on Liberty City in New. GTA Vice City, along with its predecessors, takes place on a modified version of the fictional Liberty City of the same name.

The game introduces new features, such as the ability to fly, underwater diving, and fishing. Various other gameplay features also return such as the ability to perform wild stunts in vehicles, and physics that simulate reality more closely. The game's story is centered on Niko Bellic, a

professional hitman in the Russian Mafia. Niko escaped from prison and ventured to San Andreas to start a new life. He is soon tasked with a mission from his Mafia leader. These missions center around the "mission" where Niko must make his way through Liberty City to reach a particular location. Each "mission" can be done in any order, and once a mission is completed, the next mission will appear onscreen. The three main protagonists of the game are the main character Niko Bellic, Michael De Santa, a professional
